

A Wonderful Christmas!

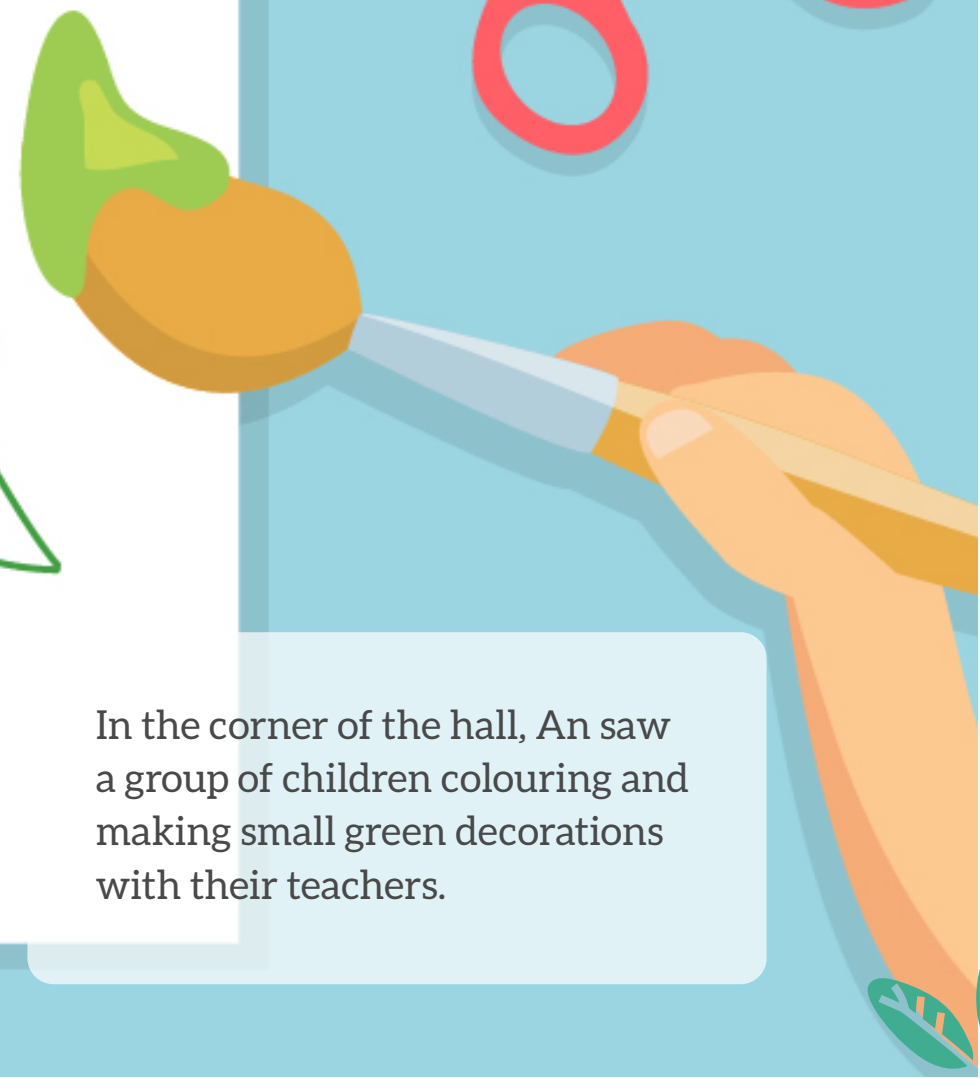

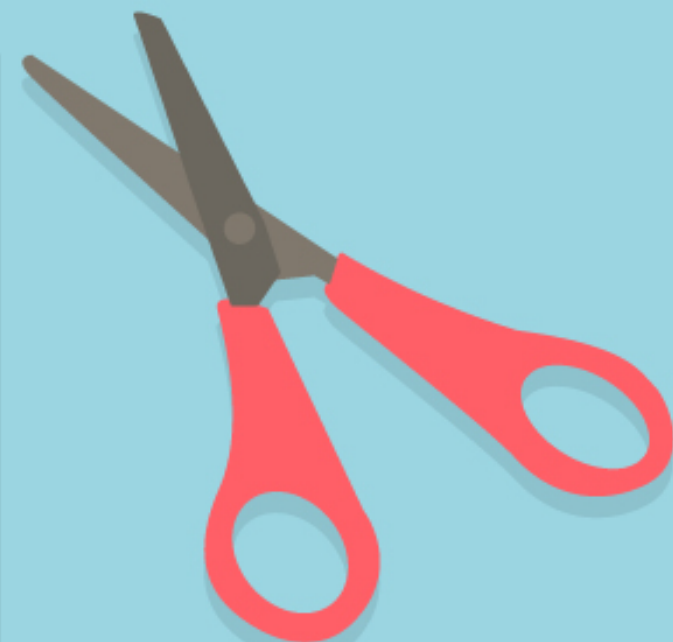

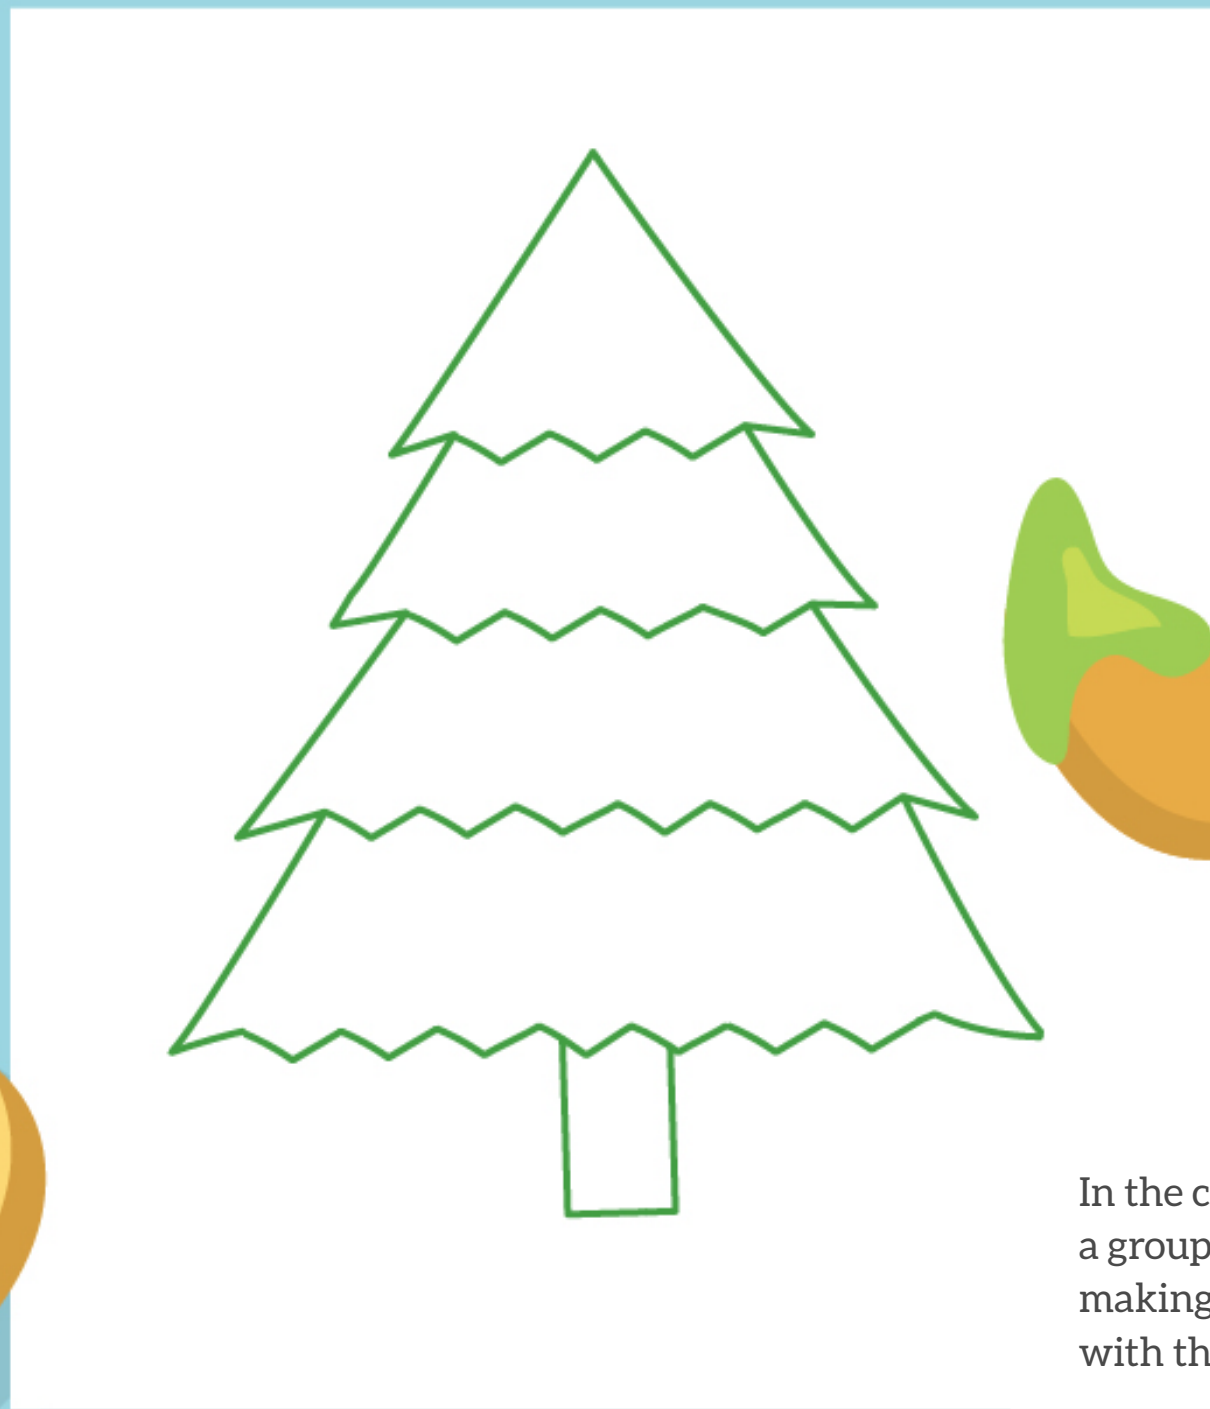

Like many other children, An wished to have a big gift on Christmas Day. Her mom promised to take her to a very happy and crowded place.

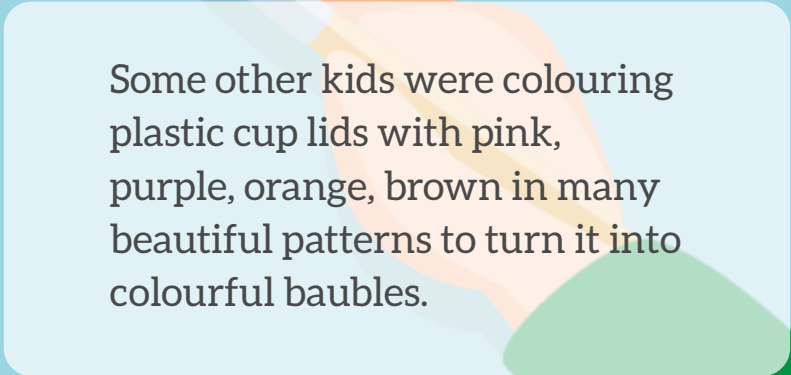

The illustration depicts a cozy living room during Christmas. In the center is a large, white Christmas tree with a green outline, decorated with a string of yellow lights and several large, colorful circular ornaments in red, yellow, white, and blue. A bright yellow star sits atop the tree. To the left of the tree, a white shelf holds a framed picture, a vase with pink flowers, and two books. To the right, another shelf features a framed picture, a stack of books, and a small potted plant. At the base of the tree, on a yellow surface, are two sets of alphabet blocks. The left set spells 'APO' with blue 'A', purple 'P', and green 'O' blocks, with an orange 'L' block on top of the 'P'. The right set spells 'PAOL' with purple 'P', blue 'A', orange 'L', and green 'O' blocks. A light blue text box on the left contains a paragraph about a child named An visiting an English center. The entire scene is framed by a light blue background with decorative green leaves in the corners and a vertical row of colored dots on each side.

On that night, An and her parents went to the Apollo English center near their house. Wow, it was so crowded and bustling. There was a really big Christmas tree decorated with a lot of colourful ornaments; red, yellow, white, blue and a twinkling little star on the top of the tree.

In the corner of the hall, An saw a group of children colouring and making small green decorations with their teachers.

Then Santa Claus popped up with red clothes and a huge red gift bag. An and those kids gathered around Santa Claus. They took pictures and had a lot of fun. The sound of Christmas songs echoed throughout the Apollo hall.

An felt happy. She wanted to go to Apollo English to take part in all the interesting activities there
